

## **Barnet Borough Arts Council IT'S TIME TO SPREAD OUR WINGS**

**A generous offer to our member societies  
From February 2010**

**(Our Annual Subscription of £30 becomes due on the 1st April).**

Here's an offer of an extra service to member societies and individual artists (*who take out a full subscription*), to book a page on our website.

We have now completed the move of our website operations from the title of:- **'Artsinbarnet'** to <http://www.barnetarts.org.uk>

During the last two years almost all member societies have set up their own website, and so emphasising the shift from publicising individual events, to acting as a link from our web site, by a listing.

We would like to offer member societies, (*and individual artists paying the full annual subscription*) their own web page on the BBAC website. £30 for a period of 4 months at a time, or £75 for a full page that remains unchanged for a year.

Somewhere on your web space there will be a direct link to Your Own Web Site. This will give you two chances of getting your site noticed. Because of this direct link, you could also get a higher rating on search engines, (such as Google).

We can supply your organisation with regular figures of Web Space activity.

We have the benefit of help from Barry Ainsworth who is an experienced webmaster and film-maker, and can now become much more ambitious on what we display on our website.

This is shown in the clips of Local Festivals, and Barnet Street Fair, and the video of our Autumn Art & Information Exhibition held at The Spires Shopping Centre.

Our web page visitors have risen from around 2000 to 22000 per month, including a good spread of visitors from across the world.

if you do not have your own webspace we will continue to show the All Saints telephone number as a contact point, and redirect enquiries on your behalf.

Contributors may like to offer some components that Barry can put together. These can be static pictures, audio, video, or script. The choice is yours.

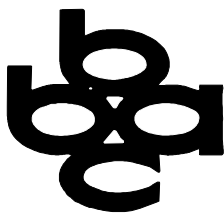

The usual full membership subscription of £30 will continue to allow for inclusion in the quarterly Barnet Arts magazine, as before, a normal listing of Member Societies, Events, Hotels, and Individual Artists.

The Art Club - Edgware kindly sponsor 5000 printed copies each quarter which are distributed to members, libraries and art centres in the London Boroughs of Barnet, Brent, Enfield, Harrow, Haringey as well as Hertfordshire.

The magazine is also E-mailed to most schools in Barnet Borough and many free copies are given out at festivals and other arts orientated events and areas.

As you can see it is not usually possible to offer more than one line or a very condensed notice of events in the printed version. - A Web Space is more flexible.

**An association of amateur and professional individuals and groups.**
